

## **CLASSROOM MANAGEMENT PLAN**

### **Maintain an organized and pleasant art room by doing the following:**

- Have various positive and relevant art visuals throughout the room that will inspire students.
- Maintain a classroom environment in which students feel safe and motivated to learn and create art.
- Keep all materials organized and accessible for students.
- Be ready for students upon arrival and greet them as they enter the art room.
- Keep a routine for students to enter and leave the art room.

### **Create a sense of community in the art room by doing the following:**

- Always treat students with dignity, respect, patience, and empathy.
- Connect with students and their family.
- Create positive peer learning experiences.

### **Cater to all students' different needs by doing the following:**

- Create lesson plans that are developmentally appropriate for students.
- Use various instructional methods for the different learning styles of students.
- Differentiate and modify lessons accordingly to fit the needs of each learner.
- Do consistent check ins and monitor student learning and offer guidance as needed.

### **Handle student behavior in the classroom by doing the following:**

- Be clear of what the classroom rules and behavior expectations are.
- Give clear instruction so students know what is expected from them during class time.
- Ensure that conflicts between students are resolved in a positive way.
- Give students praise when they make good choices.
- Be consistent.

### **Maintain a creative environment by doing the following:**

- Keep students engaged by having relevant content that includes personal interests of students.
- Give students the tools they need to feel confident when they are making artistic decisions.
- Give students opportunities to share their thoughts and ideas.
- Allow creative freedom by giving students choices when creating their art.
